Law, Policy and Breastfeeding Goals - Healthy People 2020 Report

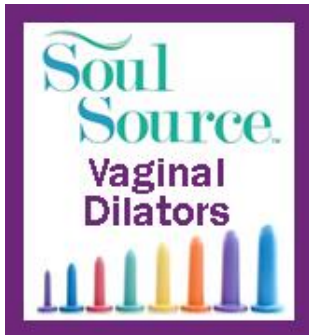

Find the article on the report *The Role of Law and Policy in Assisting Families to Reach Healthy People's Maternal, Infant, and Child Health Breastfeeding Goals* in the United States, which is the third in a series of reports that highlights the practical application of law and policy to improve health across the Nation, on our website [here](#). Each report also has success stories, or Bright Spots, that illustrate how communities have used law and policy to help meet their health goals and achieve Healthy People targets.

In order to read the executive summary and to access the full report or read the related Bright Spots, visit: <https://healthypeople.gov/2020/law-and-health-policy/topic/maternal-infant-child-health>.
