ATTENDEES: Melissa R., Morgan, Melissa A., Sharon G., Jenna, Michelle, Jen, Christina, Asia, Jessie, Natalie, Marta, Emily, Bri, Eric, Jessica, Marta, Stephanie

#### AGENDA

**Initial Meeting:** Discuss post-roe vs wade and how PAs can help

#### **New Business**

#### NOTES

- Sharon asked about having an MD present for sedation, versed, in Cali. Plan to ask CAPA and seek collaboration opportunities with Planned Parenthood.
- Jenna works in PP LA, trains for med ab. Recommend \*clinician for choice curriculum\* and Abortion Access.
- Jen works in New Hampshire, provide minimal and moderate sedation for surgical ab.
- Michelle in Wisconsin, ab illegal, referred to Illinois and Minnesota. Need resources to travel, referral.
- HBO Max show The Jane's.
- Interstate telehealth– Honeybee Health for med ab.
- Christina discussed increasing rates of depression, anxiety, after bans.
- Partner with primary care PAs to increase LARC training and use.
- Book: Crow after Roe.
- Emily mentioned safe haven in Colorado. Reach out to Alyn Whelchel of CAPA for partnership.
- Michelle summarized need resources as:
  - Med practice
  - Patient advocacy
  - Resource sharing
  - Political piece

#### ACTION ITEMS

1. Create an open resource webpage on APAOG regarding trainings and options by state
2. Create patient information and advocacy tools
3. Collate resources on safe havens, housing, supporting organizations, etc.
4. Political: connect with Congress members in each state to advocate for women's rights
5. Partner with Planned Parenthood and state PA organizations

#### NEXT AGENDA

- Identify champions for each state to keep resources page per state updated and connect with legislators to advocate for PAs
- Media opportunities (i.e., NBC) to speak about restrictions to access
- Consider a PA-specific training opportunity
