Founded in 1991, APROG promotes women's health by supporting the PA/physician teams who provide quality, cost-effective care for patients. We provide valuable resources for professionals with an interest in women's health by:

- Hosting quarterly on-demand webinars to educate professionals on current healthcare needs and advancements.
- Networking through our member-only forum to collaborate on important women's health issues.
- Providing information and resources including current news, provider FAQ and clinical preceptor resources.
