

# 2022 TRI-REGIONAL MATERNAL HEALTH CONFERENCE:

## COMMUNITY-LED INTERVENTIONS IN THE MISSISSIPPI RIVER DELTA

**Join OASH and HRSA**

**Regions 4,6 and 7 for a two-day conference,  
August 9-10, 2022!**

We will convene partners influencing birth outcomes (i.e., doctors, nurses, midwives, doulas, peer educators, community members, and state/local public health workers) to identify actions aimed to address persistent inequities in maternal health, and reduce maternal morbidity and mortality for racial and ethnic minority women residing in the Mississippi River Delta region (AR, KY, LA, MO, MS, and TN).
