## Upcoming 2018 APAOG Webinars

### When Sex Hurts: Identifying and Treating the Causes of Sexual Pain

August 28, 2018  
5PM PT/ 7PM CST/ 8PM ET

**Speaker: Alyse Kelly-Jones, MD, FACOG, IF**

Painful sex can ruin a relationship and make a woman feel like she is broken, as her partner feels helpless to make any difference. This webinar will describe the main sources of sexual pain for women, including vestibulodynia (formerly known as vulvar vestibulitis) and genitourinary syndrome of menopause.

#### Objectives:

By the end of this webinar, participants will be able to:

- Identify main sources of sexual pain in women
- Identify and make a clear diagnosis of sexual pain in women
- Form the correct treatment plan for their patients

#### About the speaker:

Dr. Alyse Kelly-Jones has spent the majority of her professional career working with women who are dealing with sexual dysfunction, especially low libido and painful sex. She says the happiest couples are those who actively make intimacy a priority in their relationship. She is a TedX speaker and has been featured in O Magazine, Self and Women's Health, among other national media outlets. Visit her TedX talk here: <http://bit.ly/2KPpRW>
